

# WebGuide Thesaurus of Common Key Phrases

This thesaurus is a list of the key phrases that web users search for most often when they are looking for child development information. It was compiled by the Tufts University Child and Family WebGuide based upon statistics obtained through Wordtracker. For instructions on how to incorporate the key phrases into your website see the Design Guide home: <[http://www.cfw.tufts.edu/design\\_guide\\_home.asp](http://www.cfw.tufts.edu/design_guide_home.asp)>

Note: The following topics are arranged alphabetically. The key phrases under each topic are arranged by search popularity.

### Key Phrase

parenting  
family  
children  
child development  
child  
human development  
early childhood development  
parenting styles  
development  
articles on parenting

## **Immunization Information**

### Key Phrase

immunizations  
vaccines  
flu vaccine  
vaccinations  
immunization schedule  
pneumonia vaccine  
chicken pox vaccine  
childhood immunizations  
influenza vaccine  
small pox vaccine

## **Is My Child OK?**

### Key Phrase

depression  
psychology  
mental health  
medications  
health information  
manic depression  
mental illness  
child psychology  
information  
clinical depression

## **Learning Disabilities**

### Key Phrase

learning disabilities  
child learning disabilities  
journal of learning disabilities  
nonverbal learning disability  
learning disabilities association  
children with learning disabilities  
journal articles on learning disabilities  
learning disabilities causes  
learning disability tests  
specific learning disability

## **Learning Disabilities Resources**

### Key Phrase

learning disabilities  
child learning disabilities  
adhd medications  
information on dyslexia  
adhd symptoms  
dyslexia in children  
adhd medication  
causes of adhd  
information about dyslexia  
children with special needs

## **Loss and Grief Resources**

### Key Phrase

grief counseling  
dealing with death  
how to deal with grief  
grief recovery  
grief support  
grief support groups  
dealing with grief  
bereavement counseling  
grief process  
grief therapy

## **Mental Health Resources**

### Key Phrase

mental health  
mental illness  
types of mental illness  
mental health disorders  
mental health care  
mental illness symptoms  
mental health services  
mental health statistics  
adolescent mental health  
mental health issues

## **Mentoring**

### Key Phrase

mentoring  
mentoring programs  
mentors  
youth mentoring programs  
information on mentoring  
mentor programs  
peer mentoring  
teacher mentoring  
child mentoring  
mentoring program

## **Literacy/Reading**

### Key Phrase

teaching reading  
reading worksheets  
reading instruction  
reading activities  
reading comprehension activities  
reading comprehension worksheets  
reading disabilities  
reading programs  
reading assessment  
teaching reading strategies

## **Medical**

### Key Phrase

leukemia  
eczema  
information about diabetes  
nutrition information  
diabetes symptoms  
information on cystic fibrosis  
nutrition facts  
diabetes information  
cystic fibrosis symptoms  
asthma information

## **Mental Retardation**

### Key Phrase

mental health  
mental retardation  
mentally retarded  
children with disabilities  
retarded people  
mentally handicapped  
mentally ill

### Key Phrase

extracurricular activities  
benefits of extracurricular activities  
importance of extracurricular activities  
after school programs for children  
after school daycare  
how effective are after school programs  
advantages of extracurricular activities  
do after school activities benefit  
children and extracurricular activities  
after school programs for kids

## **Music**

### Key Phrase

music  
music education  
mozart effect  
benefits of music education  
music for babies  
effects of music on children  
music in education  
music education instruments  
children and music  
music education articles

## **Obesity**

### Key Phrase

obesity  
child obesity  
obesity in children  
obesity in america  
teen obesity  
overweight children  
teenage obesity  
obesity research  
obesity and children  
obese kids

## **Outdoor Education**

### Key Phrase

civilian conservation corps  
outdoor education  
wilderness therapy  
experiential education  
youth conservation corps  
adventure education  
adventure therapy  
wilderness programs  
conservation education  
outdoor therapy

## **Parent Involvement**

### Key Phrase

parental involvement in schools  
parent involvement in education  
parent involvement  
parental involvement in elementary schools  
parental involvement in education  
parental involvement survey  
parental involvement in high school  
increasing parental involvement in education  
lack of parental involvement  
parent involvement and preschool

## **Parenting**

### Key Phrase

parenting styles  
parenting tips  
effective parenting  
today's parents  
parenting advice  
parenting skills  
parenting issues  
parenting classes  
parenting articles  
parenting magazines

## **Parents' Rights**

### Key Phrase

individuals with disabilities education act  
special education inclusion  
journal of learning disabilities  
special education laws  
children's rights  
learning disabilities association  
special education law  
federal special education laws  
learning disabilities strategies  
children's bill of rights

## **Pediatricians**

### Key Phrase

pediatrician  
pediatricians  
about pediatricians  
pediatrician information  
choosing a pediatrician  
ask the pediatrician  
questions for pediatricians  
pediatrician info  
all about pediatrician  
pediatrician advice

## **Physical Disabilities**

### Key Phrase

children with disabilities  
children physical disabilities  
teaching children with disabilities  
siblings of children with disabilities  
children with physical disabilities  
private schools for children with disabilities  
children with multiple disabilities  
teaching children about disabilities  
children and disabilities  
camps for children with disabilities
